### Stanmer House – your dreams become a reality

During 2006, Sussex saw the rebirth of one of the county's most stunning buildings as Stanmer House hit the headlines with arguably Brighton's most talked about opening. Stanmer House is a Grade I listed manor house which is unique for its Brighton location.

The venue focuses on three key areas: weddings, corporate and private functions. Set in the heart of the Sussex countryside, yet only minutes from the bustling city centre of Brighton and 30 minutes from Gatwick, Stanmer House is the perfect venue for your wedding or civil partnership. Recently, Stanmer House won a Sussex Heritage Award for the renovation to the house and it has firmly established itself as one of Sussex's premier venues.

The house and gardens provide a romantic backdrop that enhances the elegance of your day, ensuring a fairy tale start to your marriage. Once attended by aristocracy of the Regency period for dinner parties and grand occasions, the grand and inner lobbies alongside the pillared rooms once again come alive.

Your wedding is undoubtedly one of the most exciting and important days of your life, and you can be assured that you will have their undivided attention. Behind the effortless flow of a Stanmer House wedding is a whole flurry of activity.

The sense of history and intimate atmosphere creates an environment that is both inspiring and comfortable, ensuring you and your guests will have the most wonderful day. To meet their wedding co-ordinator and see how they can turn your dreams into reality, you are invited to visit Stanmer House to see for yourself why they have become the venue of choice for so many couples.

Cherrywood Events is the in-house events team that manage Stanmer House. They recognise the need to create an entirely individual day for you to ensure your wedding is everything you have imagined it to be.

The Stanmer House staff pride themselves on their attention to detail, and are on hand to provide assistance before, during and after your special day. They've teamed up with award-winning caterers and provide you with the best wedding suppliers in the business, ensuring you have peace of mind and a special day that lives up to your expectations.

The house is open between 9am and 6pm, Monday to Friday, with the Sword and Buckle bar and the library with its Chesterfield armchairs and warm and friendly staff providing immaculate service.

With 2008 barely started, Stanmer House has also launched its 'Get married at Stanmer House for as little as £500 package'.

Ansell Henry, Stanmer House's sales and marketing director, explains: "As well as being a premier venue, we want to show that anyone can enjoy this beautiful house and that we have a number of packages to suit all. This is just one. Around 95 per cent of bookings choose to spend their whole day at Stanmer House, which is fantastic, but we also have a number of couples who start their day with us before heading into central Brighton."

**Wedding fair – Sunday 2 March – Free admission**

Stanmer House, is having its first fair of 2008. All partners and suppliers to the house are attending which brings a great range of experience to plan that special day. The focus is on bringing their wedding business and the fair to life creating many options for you to choose.

There will be a fashion show, toastmaster, white doves, wedding cars and lots of interaction with the various stalls. If you are looking to book a venue in Sussex for that special day, don't book until you have seen this beautiful house and spoken to the experts.
